CERTIFIED TRAINING

The only certified Articulate 360 trainers in **Africa**

ARTICULATE 360 CERTIFIED TRAINING

Get training, your way.

To Get an Articulate 360 Certification
You'll Need to Complete:

- Articulate Rise 360 Training
- Basics of Articulate Storyline 360
- Advanced Articulate Storyline 360

COURSE FORMATS:

eLearning Course - R5 950.00 Ex VAT / Per Participant

This self-paced online course offers comprehensive training on the entire **Articulate® 360** suite through interactive guides, video tutorials, practical exercises, and detailed lessons. Learn to create engaging eLearning content and build complete experiences using applications like Content Library 360, Peek 360, Replay 360, Rise 360, Review 360, and Storyline 360. Gain a deeper understanding of when to use each tool within the award-winning suite and receive support from Certified Instructors throughout your learning journey.

VILT Sessions - R16 950.00 Ex VAT / Per Participant

- Group Sessions and volume discounts (Minimum 5 Seats)

Our Virtual Instructor Led Training Sessions, led by our team of expert trainers provides comprehensive training and hand-in assignments for the entire **Articulate® 360** suite. It includes interactive reference guides, pre-recorded reference videos, exercises and detailed collaborative lessons on how to create memorable eLearning courses. With 16 hours of live instruction, spread over 8 easy to follow sessions you'll master the Articulate® 360 suite through a guided, hands-on experience.

Classroom / On-Site Sessions - R23 950.00 Ex VAT / Per Participant

- Group Sessions and volume discounts (Minimum 5 Seats)

Our comprehensive classroom workshops offer three full days of expert-led training on the entire **Articulate® 360** suite. Benefit from interactive guides, video tutorials, hands-on exercises, and collaborative activities designed to enhance your skills with this acclaimed authoring tool. Workshops are held at our facilities and include Articulate swag, complimentary meals, and refreshments.

PREREQUISITES

Our Articulate 360 certified training sessions accommodate **various skill levels**, from beginners to experienced instructional designers. Participants should possess basic computer skills and familiarity with common user interfaces like PowerPoint, Ribbon Technology, and Browser windows.

All training is interactive and hands-on. Therefore, participants are required to have Articulate 360, including Storyline 360 installed on their PC (or Mac with Windows), or the Articulate 360 free trial.
